You, too, can gamble with a sports icon. The inaugural **Sports Legends Challenge**, presented by **AbsolutePoker.net**, will be Sept. 14-17 at **Atlantis, Paradise Island**, in the Bahamas. Twenty-five sports legends will be paired with 25 poker pros, and hundreds of crazed fans willing to pay the \$10,000 entry fee (which does *not* include accommodations at the Atlantis) to play Texas Hold'Em, blackjack, slots and golf. **Troy Aikman, Emmitt Smith** and **Herschel Walker** are among the sports pros who will be there, along with **Kareem Abdul-Jabbar, Richard Petty,**

Sugar Ray Leonard, Reggie Jackson, Joe Namath, Mike Ditka, Bobby Hull and more. And what could be bigger than playing poker with that crowd? You got it: **Oprah**. On the July cover of **O, The Oprah Magazine**, the media magnate is wearing earrings designed by Dallas' own **Stacey Vance** of **Lola Jewelry**. Lola's is having a party June 25 to celebrate — and prepare for the coming flood of business.
